

Campus Architecture.

Prompt base1

Campus Architecture.

- Prompt Base:
- Elementos iterativos

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale.

[ELEMENTO ARQUITECTÓNICO], [MATERIALES], [GEOMETRÍA/PATRÓN], [PRESENCIA HUMANA]. warm desaturated color grading, luminous, low contrast, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

Ejemplos Prácticos de Aplicación

Para replicar el estilo de las imágenes que ya tienes en tu cuaderno, así es como se verían los prompts iterados:

- Ejemplo 1 (Reflejos y Vidrio - *Inspirado en tus imágenes de paneles azules y dorados*):
...cinematic scale. Close-up perspective of a modern glass building facade, reflective blue and gold glass panels with metallic frames, repetition of sharp rectangular patterns reflecting the sky, no people. Warm desaturated color grading...
- Ejemplo 2 (Arcos y Pasadizos - *Inspirado en tus imágenes de diseño curvo*):
...cinematic scale. A wide university corridor, smooth concrete walls and stone flooring, a repeating sequence of elegant structural arches creating deep shadows, one heavily motion-blurred student walking in the far background. Warm desaturated color grading...

Examples

p1

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **[A wide university corridor, smooth concrete walls and stone flooring, a repeating sequence of elegant structural arches creating deep shadows, one heavily motion-blurred student walking in the far background.]**. warm desaturated color grading, luminous, low contrast, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p2

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale.

[Close-up perspective of a modern glass building facade, reflective blue and gold glass panels with metallic frames, repetition of sharp rectangular patterns reflecting the sky, no people.]. warm desaturated color grading, luminous, low contrast, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

1. Fachada Minimalista (Cuadrículas y Cristal)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Wide angle view of a modern university library facade, reflective glass and brushed steel, repeating grid pattern of sharp rectangular windows, no people.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p3. Escalera de Caracol (Curvas y Concreto)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Looking down a winding spiral staircase, smooth exposed concrete and warm oak wood handrails, concentric circular patterns and deep curved shadows, one heavily motion-blurred person walking at the bottom.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p4. Pasillo de Pilares (Líneas Verticales y Mármol)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Long university corridor, smooth white plaster and polished marble floors, rhythmic sequence of vertical columns creating leading lines, completely empty.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p5. Techo de Atrio (Triángulos y Tragaluces)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Low-angle view looking up at a vast atrium skylight, frosted glass and dark aluminum frames, complex geometric intersecting triangular patterns, no people.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p6. Puente Peatonal (Ángulos Agudos y Sombras)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Modern pedestrian bridge connecting two campus buildings, matte black metal and frosted glass panels, intersecting acute angles casting harsh diagonal shadows, distant blurred silhouettes of students.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p7. Cortasoles de Madera (Líneas Horizontales y Calidez)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Close-up of exterior sun shades on an academic building, warm timber slats and hidden metallic joints, repeating horizontal striped patterns filtering the sunlight, no people.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

p8. Auditorio Vacío (Ondas y Tela)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Abstract perspective of empty modern auditorium seating, textured acoustic fabric and blonde wood panels, gentle wave-like rhythmic repetition of curved rows, no people.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30

percent opacity, elegant and clean, no heavy saturation, corporate editorial style
--ar 16:9 --style raw

p9. Patios y Arcos Clásicos Modernizados (Ladrillo y Piedra)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Interior courtyard walkway, pale terracotta brick and natural stone, sequence of modernized minimalist arches framing the sunlight, one subtle blurred figure in the distance.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style
--ar 16:9 --style raw

p10. Esquina Brutalista (Bloques y Contraste)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Sharp corner of a brutalist university block, rough textured raw concrete contrasting with smooth clear sky, massive overlapping rectangular volumes, entirely empty.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

10. Suelos y Reflejos (Mosaico y Agua/Lluvia)

Professional architectural photography, abstract visual composition, focus on geometry and texture, realistic spatiality, high-impact background graphic, natural light, bright exposure, no flat artificial lighting, shot on 35mm lens, 8k resolution, photorealistic, cinematic scale. **Low angle ground-level shot of a campus plaza after rain, granite paving stones with subtle puddles, reflections of the building facade creating a symmetrical vertical pattern, blurred legs of someone walking past.** Warm desaturated color grading, luminous, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant and clean, no heavy saturation, corporate editorial style --ar 16:9 --style raw

Everyday Movement.

Prompt base2

Movimiento Cotidiano

Everyday Movement.

- Prompt Base:
- Elementos iterativos

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. [ESCENARIO], [ACCIÓN DEL GRUPO], [DETALLES VISUALES]. Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

Ejemplos Prácticos de Iteración (Estilo Alta Gama)

Al forzar a la IA a leer parámetros como "shutter speed 1/15s" o "f/5.6", entenderá exactamente *cómo* debe verse el desenfoque y la profundidad de campo.

- **Ejemplo 1 (Flujo en plaza principal bajo el sol):**
...hyper-realistic, authentic human essence. **Sunlit outdoor campus courtyard with modern glass buildings, candid shot of diverse students walking briskly in intersecting directions, organic overlapping of people with soft motion blur on their legs and backpacks.** Warm desaturated color grading...
- **Ejemplo 2 (Interior de la universidad, pasillo concurrido):**
...hyper-realistic, authentic human essence. **Wide indoor university corridor with large windows casting natural light, dense crowd of young adults transitioning between classes, beautiful organic motion blur on the foreground subjects emphasizing a fast-paced environment.** Warm desaturated color grading...
- **Ejemplo 3 (Cruce de calle hacia el campus en otoño):**
...hyper-realistic, authentic human essence. **Busy urban crosswalk right outside the main university campus, large multicultural group of students crossing the street towards the camera, flowing coats, dynamic walking postures, and authentic candid facial expressions in soft focus.** Warm desaturated color grading...

1. Tránsito en Plaza Principal (Direcciones Múltiples)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Wide sunlit university plaza with modern architecture, diverse students walking briskly in multiple directions between lectures, overlapping silhouettes with motion-blurred backpacks and footsteps.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

2. Escaleras Monumentales (Flujo Descendente)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Monumental concrete staircase outside a faculty building, large group of students rushing down the steps, dynamic flow of jackets and sneakers with organic motion blur emphasizing speed.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

3. Cruce Peatonal Urbano (Reflejos y Asfalto)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Busy urban crosswalk just outside the campus after a light rain, multicultural crowd crossing the street quickly, blurred motion of walking legs reflecting on the damp asphalt.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30

percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

4. Pasillo Exterior Estrecho (Multitud Densa)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Narrow outdoor corridor framed by brutalist concrete walls, dense stream of young adults walking towards the camera, candid facial expressions in soft focus and heavy motion blur on the foreground figures.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

5. Puente Peatonal de Cristal (Siluetas y Contraluz)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Elevated glass-walled pedestrian bridge connecting two campus towers, silhouettes of students walking fast across the frame, backlit by morning sun creating organic lens flares and elegant blurred movement.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

6. Camino Arborizado (Bicicletas y Peatones)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Tree-lined pathway through the main campus green, mix of students walking and riding bicycles away from the camera, soft focus on the flowing hair and jackets capturing the breeze and fast transit.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan

blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.0

7. Entrada Principal (Aglomeración Matutina)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Grand entrance gates of a historic yet modern university, morning rush of diverse people entering the campus, beautiful optical blur emphasizing the fast pace of the morning commute.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.0

8. Vestíbulo Amplio (Dispersión)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Vast sunlit lobby of the main university building, students dispersing into different hallways and exits, fluid collective movement with overlapping blurred figures in the foreground.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.0

9. Estación de Transporte (Llegada al Campus)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Transit station platform right next to the university grounds, crowd of students alighting from a train and walking briskly towards campus, heavy optical blur on the moving train and the foreground commuters.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow

(#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.0

10. Avenida del Campus (Sombras Largas y Atardecer)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, shutter speed 1/15s to capture organic motion blur on walking subjects, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. University in transit, focus on collective movement and flow, crowd of diverse people, no single protagonist, dynamic candid composition, natural sunlight, hyper-realistic, authentic human essence. **Wide campus avenue during golden hour, groups of classmates walking home casting long shadows on the pavement, warm sunlight highlighting the motion blur of their rhythmic footsteps.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.0

Students on Campus.

Prompt base3

Estudiantes en el Campus

Students on Campus.

- Prompt Base:
- Elementos iterativos

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame (mix of ethnicities, genders, and ages). Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. [ESCENARIO / ARQUITECTURA], [INTERACCIÓN DEL GRUPO], [PERSPECTIVA / ÁNGULO]. . warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.1

Ejemplos Prácticos de Iteración

Basado en las imágenes de referencia que compartiste (reuniones de negocios en entornos modernos, escaleras, vistas desde arriba), así es como adaptarías la Parte 2:

- **Ejemplo 1 (Reunión casual en sala de cristal - *Inspirado en tus referencias de oficinas modernas*):**
...authentic human essence. Inside a modern glass-walled university study room, a group of diverse young professionals and students sitting around a sleek table discussing documents and a laptop, medium-wide shot framed by the architectural glass structures. Warm desaturated color grading...
-
- **Ejemplo 2 (Vista en picado de interacción grupal - *Inspirado en tus referencias "high-angle-view"*):**
...authentic human essence. A bright architectural university atrium with concrete floors, three colleagues standing together having a casual but focused conversation while holding coffee cups, high-angle view looking down from an elevated walkway capturing the geometry of the space. Warm desaturated color grading...

. Debate en Sala de Estudio (Cristal y Laptops)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame (mix of ethnicities, genders, and ages). Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Inside a modern glass-walled study room with sleek metallic frames, a diverse group of young professionals leaning over a laptop, passionately discussing a project, medium-wide shot framed slightly through the open glass door.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 6.0

2. Conversación en Escaleras de Concreto (Relax)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Wide concrete architectural stairway outdoors, three students sitting on the steps having a casual relaxed conversation with open notebooks on their laps, shot from a slightly low angle showing the imposing building facade behind them.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.1

3. Vestíbulo en Picado (Colaboración en el Atrio)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **A bright spacious university atrium with geometric tile flooring, a group of colleagues standing in a circle holding coffees and reviewing printed documents together, high-angle view looking straight down from an upper floor balcony.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient

from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.1

4. Entorno Corporativo/Oficina de Profesionales

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Sophisticated modern university boardroom with wooden panels and warm lighting, a group of law or business professionals in smart casual attire actively debating across a large table, wide shot capturing the serious and dynamic atmosphere of the meeting.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.1

5. Pasarela Elevada (Charla en Tránsito)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Elevated indoor walkway with glass railings overlooking the main campus library, two classmates standing leaning against the glass, chatting informally between lectures, profile angle capturing the depth of the library in the soft-focused background.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.1

6. Mesas al Aire Libre (Trabajo en Grupo y Naturaleza)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always

multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Sunny outdoor campus courtyard shaded by modern pergolas, four students sitting at a wooden picnic table, one pointing at a tablet while the others listen intently, eye-level medium shot maintaining the architectural context in the background.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw--v 8.1

7. Sala de Estar Universitaria (Lounge Tecnológico)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **High-tech university student lounge with comfortable minimalist sofas, a small multicultural study group sharing notes and laughing genuinely, wide shot showcasing the contemporary interior design and large bright windows.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw--v 8.1

8. Interacción Profesor-Estudiante en Pasillo

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Wide corridor just outside a lecture hall with textured stone walls, a professor and two students standing in a circle having an engaging post-class academic discussion, shot from down the hall using leading lines of the architecture to frame the group.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw--v 8.1

9. Revisión de Proyectos de Pie (Coworking)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Open-plan university innovation hub with high tables and stools, colleagues standing around a high table analyzing architectural blueprints spread out before them, medium shot capturing their focused expressions and the modern industrial ceiling above.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw--v 8.1

10. Vista a través de Vegetación (Espacio de descanso)

Editorial documentary lifestyle photography, shot on Sony Alpha a7R IV and Canon EOS R5, 35mm lens, aperture f/5.6 for moderate depth of field, ISO 200, Kodak Portra 400 film aesthetic, subtle film grain. Real authentic interactions between people in university spaces, community in its everyday state. Always multiple diverse people in frame. Candid shot, nobody looking at the camera, completely unposed. No close-ups of a single person. Recognizable modern campus architecture context, natural sunlight, hyper-realistic, authentic human essence. **Lush green campus quad surrounded by brutalist academic buildings, a cluster of students sitting on a concrete retaining wall talking animatedly, shot from a distance with softly blurred foreground leaves adding depth and a voyeuristic documentary feel.** Warm desaturated color grading, luminous, low contrast, authentic film colors, subtle photographic filter overlay with a gradient from golden yellow (#F5C33F) to cyan blue (#05B6CB) at 30 percent opacity, elegant editorial style, no heavy artificial saturation, lifelike textures --ar 16:9 --style raw --v 8.1
